

# IGLFA SYDNEY WORLD CHAMPIONSHIPS 2023

## POLICY: REGISTRATION, REFUNDS AND CANCELLATIONS

### 1. Tournament Rules and Eligibility

Refer to the IGLFA rules at [11 vs 11 Outdoor Tournament](#)

### 2. Club and player registrations

- **Players** - our preference is that players should be registered with a current 'Premium Member' IGLFA club or team.
- **Clubs and Teams** that are current 'Premium Members' of the IGLFA (in the calendar year 2023), and in good standing with the IGLFA, are eligible for participation. Good standing is defined within the IGLFA Constitution and By-Laws. (For definition purposes, Clubs may consist of multiple teams within their membership and may be male and non-binary, female and non-binary or mixed).
- The Organising Body (WP23 Tournament Inc) wishes to create a tournament with as few barriers to entry as possible. If you are not a current IGLFA member, your values align with this tournament and you wish to participate, please reach out to [admin@sydneyigfla.com](mailto:admin@sydneyigfla.com) for more information.
- Disputes will be handled by the Organising Body.

### 3. Registration Dates

- Clubs and players will be able to register via our competition management software, Dribl, from 13 September 2022.
- Registrations will close on Monday 17 January 2023 to allow for final scheduling.

### 4. Team Fee

If you wish to register a team, a non-refundable fee of **AUD \$449 (or approx. USD \$309)** is payable and you can register up to 15 players. This acts as a deposit securing your team's participation in the Tournament while players in the team organise to pay their player fee component (see 5. *Player Fees*).

### 5. Player Fees

Individual player registration is **AUD \$179 (or approx. USD \$123)**. If a player registers as a member of a team, a lower player fee of **\$149 AUD (or approx. \$103 USD)** applies.

### 6. IGLFA Sydney World Championships refund policy

The cost of putting on a tournament such as this is considerable and the majority of these costs are paid in advance with significant contributions from the Member Organisations. There are factors that sit outside of our control including players being unable to travel due to COVID-19 and inclement weather.
